

Mobility

Closer than you think

Valais offers you a diverse range of excursions right on your doorstep. For those who occasionally still feel the call of the city, the rest of Switzerland and its neighbouring countries are just a short journey away thanks to Valais's central location. The excellent public transport networks mean you can visit museums in Zurich, attend concerts in Geneva, or go on shopping trips to Milan at any time.

Travel times to European cities by train*

Visp – Zürich	2 h 00 min
