Hiking.

Hiking is one of the most popular activities in Valais. With over 8,000 kilometres of marked hiking trails, every hiker will find what they are looking for: paths up to high peaks, through fragrant Swiss alpine meadows and on historical routes or new suspension bridges and along steep old trade. As a hiking region, Valais offers a wide variety of topography for serious hikers as well as those looking for leisurely exploration, among the most spectacular for various levels of terrain.

Valais “bisses”: watercourses of life.

The “bisses” are the historical irrigation channels of Valais for more than 1,000 years. These have brought fresh water from the glaciers to the farmlands, offering irrigation opportunities, a supply of water and employment for the villagers. Today, the “bisses” are seen as part of the heritage of the region and as scenic trails for hikers and mountain bikers.
